

SCRUBBER DRYER

RS 61
RS 71

MAN ON BOARD SCRUBBER DRYER RS is a very compact machine and, even if it has the operator on board, it is able to work where usually works machines with man on the floor: this is possible for its dimensions and especially for its driving manageability.

RS gives the possibility of choosing water quantity, pressure on brushes and with the version SV (save detergent), it is possible to choose the percentage of detergent depending on the quantity water, using two simple switches on the dashboard. A very good tank's capacity and power of batteries permit to the machine a long lasting professional use. Obviously RS has some technical qualities that make the work easier and safer: squeegee is automatic lifting in reverse gear, automatic speed reduction while turning, automatic relais braking board, automatic parking brake, replacement of wiper blades without tools and on demand, battery charger on board.

RS 61 RS 71

- Compact, easy to handle, performance-oriented.
- Ergonomically designed, comfortable, silent.
- Optimum operating and driving speeds.
- Amount of water on ground can be selected.
- Selectable brush pressure and separate detergent dispensing on request.
- Brushes and squeegees lift automatically.
- Excellent drying action on all floor surfaces.
- High water and power autonomy.
- Recycle tank. Can be fully sanitized.
- Simple, effective maintenance.

CHARACTERISTICS

		RS 61	RS 71
Model		RS 61	RS 71
Working width	mm	610	710
Floor scrubber width	mm	840	840
Theoretic operating capacity	m ² /h	3700	4300
Power supply		Battery	Battery
Total power	W	1950	1950
Drive		Electric	Electric
BRUSHES			
Diameter/Quantity	mm/n.	310/2	360/2
Motor: Quantity/Power	n./W	2 / 400	2 / 400
Brush rpm	rpm	190	190
Load on brushes	kg	35 - 50	37 - 52
DRIVE TRAIN			
Motor	W	600	600
Maximum speed	km/h	6	6
Climable gradient	%	15	15
SUCTION			
Motor: Quantity/Power	n./W	1/550	1/550
Air flow rate	l/sec	30	30
Aspiration vacuum	kPa	18	18
TANKS			
Tank capacities (Clean/Dirty)	l	90/100	90/100
BATTERIES			
Capacity	V/Ah (C5)	24/265-24/320	24/265-24/320
Operating capacity	h	3-4	3-4
DIMENSIONS			
Length/Width/Height (without floor scrubber)	cm	149x670x128	149x670x128
WEIGHTS			
Without batteries	kg	220	220
265 Ah batteries (C5) (lead/acid)	kg	188	188
320 Ah batteries (C5) (lead/acid)	kg	193	193
NOISE LEVEL			
Noise level	dB(A)	68	68
